Re: Plaintiff's First Request to Adjourn the Initial Pretrial Conference in *Ugla v. Does 1-10*, No. 15 Civ. 9567 (S.D.N.Y.)

Dear Judge Gardephe:

I represent Plaintiff in the above-captioned action, which was filed as a "Doe" action against Defendants whose identities are not presently known to Plaintiff. Because Plaintiff has not been able to establish Defendants' identities, and thus has not been able to serve Defendants, Plaintiff respectfully requests an adjournment of the initial pretrial conference currently scheduled for March 17, 2016 at 10:15 AM for ninety days. Plaintiff proposes June 30, 2016 for the rescheduled initial pretrial conference. This is Plaintiff's first such request.

As more fully set forth in the Complaint, Defendants have harassed and intimidated Plaintiff in violation of the Computer Fraud and Abuse Act, 18 U.S.C. § 1030(g), and the Electronic Communications Privacy Act, 18 U.S.C. § 2520. Plaintiff has been actively engaged in efforts to uncover the identities and locations of Defendants, in order to effectuate service and pursue Plaintiff's claims. Despite diligent efforts, Plaintiff has not yet discovered sufficient concrete information about Defendants' names or locations. Accordingly, Plaintiff respectfully seeks an adjournment of the initial pretrial conference for ninety days to allow for further ongoing efforts to locate and serve Defendants.

Respectfully submitted,

Alexander H. Southwell
